Ladies,

I would like to take this time to personally thank our members of the CSRA WGA for your continued support this year. As most of you are aware that the Coronavirus is affecting our lives and providing a challenge to day to day activities. We are extremely fortunate to be able to have an outdoor option of playing golf. The Four Ball at Bartram Trail last month was a great success even with restrictions. With the many elements to be considered (rising cases or COVID-19), we will always consider the health and well being of our members. On that basis, we are proceeding with caution our remaining scheduled events for the CSRA WGA.

Although we will be playing, there are some changes that the Board has voted upon and will be implementing.

1. There will not be any rescheduled events that was cancelled or postponed this year.
2. Memorial Cup Points will not be awarded this year (also no Most Improved or Perfect Attendance). All funds collected for Memorial Cup will be used for the next year.
3. Montenyohl Championship will be cancelled this year (The Masters' Golf Tournament is that same week).
4. Membership Fees for 2020 will not be refunded and all members in good standings this year will not pay dues next year.

We will continue to be prudent in our next steps going forward, evaluate the data and information made available to us through local, state and national governing bodies. We are appreciative of your offers of support and patience during these challenging times. Thank you for your continued diligence in social distancing, wearing face mask and using hand sanitizer. Please contact your CSRA WGA Representative for more information and guidance.

Charlotte Johnson  
President, CSRA, WGA
